

## Packages

There is a Smuggs Vacation Video package to meet the needs and budget of any family.

The 2-Hour Package is our most affordable option and takes the least amount of time to shoot & edit. Ready in 24 hours.

Our 4-Hour Package will capture one of your family's special mornings or afternoons for you to re-visit any time you wish.

An All-Day Package gets all of that once-in-a-lifetime powder day, or just that special day when you all could be together.

Multi-Day Packages can help you to capture an amazing weekend in the Green Mountains, doing everthing you love to do.

Lastly, Custom Packages can be created for any needs that do not fit the above packages. Want us to shoot a couple hours each day all week? We can create a package for that, too!

All of our Vacation Video Packages Include:

- Professional Editing with Royalty-Free Music
- High Quality Vacation Video Delivered on DVD
- Downloadable Web Quality MOV for Sharing Via Email or Web
- Master Tape with All Raw Footage
- Treasured Memories Digitally-Captured to Last a Lifetime!
